JPS SINGLE PHASE PROBLEM AT NIAGARA FACILITY, ST JAMES

The National Water Commission (NWC) is advising that, the Niagara facility in **St James** is currently being affected by JPS single phase problem. As a result, customers in **St James** and **St Elizabeth** served by this facility are without water supply.

The matter has been reported to the power service provider and water supply will be restored as soon as the matter is resolved.

Areas affected include **Niagara, Johnson, Elderslie, Accompong** and **Joint Wood**.

The NWC regrets any inconvenience caused and craves the patience and understanding of its valued customers.
