**NWC TO UNDERTAKE NETWORK TESTS IN PORTMORE-ST CATHERINE**  
SOUTHBORO, BRIDGEVIEW ROAD AND ENVIRONS TO BE AFFECTED

The **National Water Commission** is advising that its operations team will be carrying out network test activities on sections of the company's transmission mains in Portmore in St. Catherine on **Thursday, October 14, 2021** from **10am to 2pm**. These activities will result in water supply disruptions for several hours to a number of communities served by the NWC.

Areas to be affected: **Southboro, West Bay, Bridgeport, Edgewater, Bridgeview, Garvey Meade and Westmeade**

Customers in these areas are being urged to store water for use during this period of disruption.

The National Water Commission apologises for any inconvenience caused and seeks to assure its valued customers that every effort will be made to restore water supply within the shortest possible time.
