HIGH TURBIDITY DISRUPTS OPERATION

sections of St James and Westmoreland affected

The National Water Commission (NWC) wishes to apologize to customers served by the **Cambridge Treatment plant** and the **Mafoota Pump station in St James**, for the disruption in their water supply due to high level of turbidity at both facilities.

Areas affected include

In St James

Bickersteth, Seven Rivers, Richmond Hill, Shortwood and Cambridge served by the **Cambridge** facility. **Mafoota, Roehampton, Rocky Hill, Wales Pond, Lawson, Comfort Hall and Windsor Castles** served by the **Mafoota**.

In Westmoreland

Ducketts, Greenwich, Bethel Town and Argyle Mountain

The NWC regrets any inconvenience caused and craves the patience and understanding of its valued customers.
