Update

**JPS SINGLE PHASE PROBLEM CONTINUES  
TO IMPACT NIAGARA FACILITY, ST JAMES**

The National Water Commission (NWC) is advising that, the Niagara Treatment Plant in **St James**, continues to be affected by JPS single phase problem.

The matter has been reported to the power service provider and water supply will be restored as soon as the matter is resolved.

Areas affected include **Niagara, Johnson, Elderslie, Accompong and Joint Wood.**

The NWC regrets any inconvenience caused and craves the patience and understanding of its valued customers.
