**JPSCO SINGLE PHASE ISSUE AFFECTING
OPERATION AT WHITHORN RELIFT, WESTMORELAND**

The National Water Commission (NWC) is advising customers served by the **Whithorn relift in Westmoreland**, that the disruption they are experiencing is as a result of JPS single phase issue at the facility.

The matter has been reported and customers are being assured that normal operation will resume as soon as the situation is resolved by the power service provider.

Affected areas include **Whithorn, Dump, sections of Water Works, Mt Tersa, Strawberry, Galloway, Lindos Hill and Caledonia.**

The NWC apologises for any inconvenience this may cause and craves the patience and understanding of its valued customers.
