EMERGENCY PIPELINE REPAIRS AFFECTING WATER SUPPLY TO SECTIONS OF ST ELIZABETH

The National Water Commission is advising that operations at the Benlomonds Pump Station in St. Elizabeth have been temporarily shut down to facilitate emergency repairs to an 8" main on the network. As a result, customers served by the facility are currently experiencing a disruption in their regular water supply.

Areas affected include Benlomonds, Siloah, Aberdeen, Thornton, Williamsfield and surrounding areas.

Repairs are to be completed by 7pm today.

The NWC apologizes for any inconvenience this disruption may cause and craves the patience and understanding of its valued customers.
