**SINGLE PHASE POWER ISSUE IMPACTING OPERATIONS AT THE  
HANBURY PUMPING STATION IN CLARENDON**

The National Water Commission is reporting that single phase power supply issue is currently impacting pumping operation at the **Hanbury Pumping Station** in **Clarendon**. This has resulted in water supply disruption to customers served by the facility.

Areas impacted: **Longville Park Phase 2 and 3, sections Toby Heights and Palmetto Meadows**

The matter has been reported to the power service provider and full operation will resume as soon power supply is restored at the facility.

The NWC regrets any inconvenience this disruption may cause and craves the patience and understanding of its valued customers.
