**PIPELINE INTER CONNECTION WORK NOW AT FINAL PHASE
MAJOR INSTALLATION ACTIVITIES TO IMPACT SPANISH TOWN ROAD FOR
WEEKEND**

The National Water Commission is advising that its Contractors will be undertaking the final phase of interconnection works for the new pipeline now installed along Spanish Town Road in the Kingston and St Andrew area.

The works will commence on Friday, June 24, 2022. However, based on the extensive nature of the activity, two to three days will be required for its completion.

During this time, there will be a disruption in water supply. Customers are, therefore, encouraged to store water for use during this period of disruption.

Work period: 8 a.m. on Friday, June 24, 2022

Completion Time: 10 p.m. on Sunday, June 26, 2022

Areas to be impacted: **Cooreville Gardens and New Haven, Marcus Garvey Drive, Spanish Town Road and all roads leading off, including Atlantic Boulevard, sections of Washington Gardens, sections of Downtown Kingston including Charles Street, North Street, Tivoli Gardens and Environs**

-END-
