**UPDATE
HARBOUR VIEW AND PORT ROYAL AREAS REMAIN IMPACTED BY PIPELINE
REPAIRS**

The National Water Commission (NWC) is advising customers in sections of **Harbour View and Port Royal** that pipeline repairs have been impacted by on-site challenges which will result in further delay to the restoration of water supply. The team will be working throughout the course of the day in order to resolve these issues.

New estimated timeline: **5:00 pm, Thursday, June 23, 2022**

Areas affected: **Harbour View, Palisadoes, Port Royal, Seven Miles, Shooters Hill, Bottom section Eleven Miles**

The NWC thanks its customers for their patience and understanding at this time.
