**EMERGENCY REGULATION TO IMPACT WATER SUPPLY  
TO SECTIONS OF BURNT SAVANNAH IN WESTMORELAND**

The National Water Commission is advising its customers in sections of Burnt Savannah, Westmoreland that due to continued reduced production at the Bulstrode facility as a result of turbidity, that it will be carrying out emergency regulation of supply on Thursday, August 4, 2022 at 8:00 a.m. to 8:00 a.m. on Friday, August 5, 2022.

During the outlined period, some customers in the Burnt Savannah area will experience low pressure or no water conditions.

The NWC regrets any inconvenience that may be caused and craves the patience and understanding of its valued customers.
