**MECHANICAL ISSUE IMPACTS PEACE RIVER FACILITY IN CLARENDON  
PEACE RIVER, ELGIN AND ENVIRONS IN CLARENDON AFFECTED**

The **National Water Commission (NWC)** is reporting that operations at the **Peace River Water Facility in Clarendon** have been suspended, due to a mechanical issue with its pumping unit. This has resulted in water supply disruption to customers served by the facility.

The company is indicating that as soon as an assessment is completed of the situation, customers will be informed of the restoration date.

Areas impacted: **Peace River, Gloucester, Victoria, Lodge, Thompson Town, Cove, Wesleyan Gully, Blackwood and Elgin**

The National Water Commission apologizes for any inconvenience caused to its valued customers.
