UPDATE

EMERGENCY REGULATION TO IMPACT WATER SUPPLY TO SECTIONS OF WESTMORELAND

Due to continued reduced production at the Bulstrode facility as a result of turbidity, the National Water Commission (NWC) will be carrying out emergency regulation of water supply to Burnt Savannah and Coote Savannah in Westmoreland according to the following schedule:

- 8:00 p.m. on Sundays to 8:00 a.m. on Mondays
- 8:00 p.m. on Tuesdays to 8:00 a.m. on Wednesdays
- 8:00 a.m. on Thursdays to 8:00 a.m. on Fridays

During the outlined periods, customers from the abovementioned areas will experience low pressure or no water conditions.

This regulation schedule will be effect until conditions improve at the source and full production can be achieved.

□

The NWC regrets any inconvenience that may be caused and craves the continued patience and understanding of its valued customers.
