## **PIPELINE INTER-CONNECTION WORKS SLATED FOR PORTMORE AREAS**

**IMPROVED NETWORK TO BE COMMISSIONED ON PORT HENDERSON ROAD**

**Project Zone: PORT HENDERSON ROAD (BACK ROAD)**  
**(Areas from below Toll Plaza to the bridge before Bayside Villas)**

The National Water Commission is advising that the New Pipelines laid under the Portmore NRW Reduction Programme in collaboration with co-management partners, MIYA, will be commissioned into service starting on Monday, October 3, 2022. During this operation, the existing water mains will be turned off and customer supplies transferred to the new service pipelines. Customers are therefore urged to store water to alleviate any inconvenience during this 24-hours shutdown and transfer process.

Additionally, the NWC is advising that persons should take the opportunity to register their supplies or ensure that accounts are up-to-date as only legitimate and current accounts will be transferred. Residents and Business operators may now take steps ensure that they are duly registered or reconnected on the NWC Customer Information system.

**Areas to benefit: Areas situated along Port Henderson Road (Back Road) between Portmore Toll Plaza and the bridge before the Bayside Villas**

**Start Time: 9:30am on Monday, 3<sup>rd</sup> October 2022**

**Restoration Time: Midday on Thursday, October 4<sup>th</sup>, 2022**
