SCHEDULED JPSCo POWER OUTAGE TO IMPACT OPERATIONS AT LONGVILLE PARK FACILITY IN CLARENDON

The National Water Commission (NWC) is advising that scheduled JPSCo power outage will impact pumping operations at the **Longville Park Water Facility in Clarendon** from **9:00am to 6:00pm on Thursday, September 22, 2022.**

The NWC is therefore urging its valued customers to store water for use during the period and seeks to assure them that regular water supply will be restored following the return of electricity to the areas.

Areas to be affected: **Longville Park Housing Scheme Phase 1 and 2**

The NWC regrets any inconvenience this disruption may cause and craves the patience and understanding of its valued customers.
