SINGLE PHASE POWER SUPPLY PROBLEM AFFECTING OPERATIONS AT COOKSON WELL IN ST. CATHERINE

The National Water Commission is reporting that single phase power supply problem has affected pumping operation at the **Cookson Well Facility in St. Catherine**. This has resulted in water supply disruption to customers served by the facility.

The matter has been reported to the service provider and full operation will resume as soon as regular power supply is restored at the facility.

Areas impacted: **Greater Portmore, Naggo Head, Old Braeton, Congreve Park, Silverstone, Portmore Pines, Monza, Daytona, Ascott, West Cumberland**

The National Water Commission apologises for any inconvenience caused and seeks to assure its valued customers that every effort will be made to restore water supply within the shortest possible time.
