**NEW FOREST DEEPWELL OPERATING AT
50 PER CENT CAPACITY**

The National Water Commission (NWC) is advising that operation at the New Forest Deepwell in St Elizabeth, has been reduced to 50 per cent capacity due to electrical challenges. As a result, customers will experience either low water pressure, intermittent supply or no water.

Every effort is being to resolve the challenges and restore normal operation at the facility by Wednesday November 30, 2022

Areas affected include **New Forest, Duff House, Alligator Pond** and surrounding areas.

The NWC regrets any inconvenience caused and craves the patience and understanding of its valued customers.
