**BROKEN AND CHOKED MAIN DISRUPT WATER SUPPLY AT PULPA
SPRING FACILITY IN ST. ANDREW**

The National Water Commission (NWC) is advising customers served by the **Pulpa Spring Water Facility in St. Andrew** that the disruption to their water supply which is currently being experienced is as a result of a broken and choked main. Sectional replacement of pipeline is currently being done.

Every effort is being made to complete the necessary repairs and restore water supply to the affected areas by **Monday, January 23, 2023**.

Areas affected include: **Section of David's Hill**

The NWC regrets any inconvenience this disruption may cause and craves the patience and understanding of its valued customers.
