**MECHANICAL ISSUES IMPACTING WATER SUPPLY AT THE ENNIS FACILITY IN CLARENDON**

The National Water Commission is advising its customers that the **Ennis Water Facility** in **Clarendon** has now been shut down as a result of a mechanical issue with the pumping unit.

The company is working to have the problem corrected for the resumption of operation by **8pm, March 14, 2023.**

Areas affected: **Ennis, Turners, Chapleton, Sangsters Heights, New Longville and New Roads Community**

The NWC regrets any inconvenience this disruption may cause and craves the patience and understanding of its valued customers.
