**UPDATE**

**EMERGENCY INSTALLATION WORK TO IMPACT WATER SUPPLY  
CUSTOMERS IN MINERAL HEIGHTS, MAY PEN AND ENVIRONS TO BE AFFECTED**

The National Water Commission is advising that water supply to customers in the Clarendon communities of Mineral Heights and its environs will be disrupted for several hours to facilitate installation to a new storage tank.

Work period: **Thursday, March 16, 2023 from 10am to 3pm.**

Customers are being encouraged to store water for use during the disruption period.

Areas to be affected: **Mineral Heights, Top Halse Hall, Sections of May Pen, Curatoe Hill, Trenton Road and Long Bridge Avenue**

The National Water Commission apologises for any inconvenience that this disruption in service may cause.
