UPDATE

MORE NWC WESTERN SYSTEMS AFFECTED BY DROUGHT

The National Water Commission is reporting that more of its systems in the western region are affected by the ongoing drought condition.

These systems include

PARISH	SYSTEM	AREAS SERVED
ST JAMES	Cambridge	Bickersteth, Seven Rivers, Richmond Hill, Shortwood, Cambridge, Ducketts, Greenwich, Argyle Mountain
	Niagara	Niagara, Johnson, Elderslie, Accompong, Joint Wood
	Vaughnsfield	German Town, sections of Garlands
TRELAWNY	Wakefield 1& 4	Wakefield, Bounty Hall, Deeside, Drumilly, Hermitage, Friendship, Bunkers Hill, Greenwood, Falmouth
	Troy	Troy, New Hope
ST ELIZABETH	Red Ground	Red Ground, Bogue, Pine Piece
	Aberdeen	Aberdeen, Top Williamsfield
MANCHESTER	Two Meeting	Spaulding, Succeed, Limit, Alston,

		Santa Hill, Tweedside, Laughton, Junction, Mt. Mariah, Nine Mile, Zinc Shop, White Shop, Saungenetti, Sedgeburgh, Richmond, Cobbla, Mizpah, Mt Olivett
--	--	--

The NWC urges customers to conserve on water as well as to store water for use. The Agency will continue to issue timely updates on the drought affected system.
