**DELAYED RESTORATION TO WHITE HORSES FACILITY IN ST. THOMAS
BOTANY BAY, PAMPHRET AREAS IN ST. THOMAS AFFECTED**

The National Water Commission (NWC), is reporting a delay in the resumption of operations at the **White Horses Water Facility** in **St. Thomas**, which was originally scheduled to be restarted today, May 18, 2023.

The company is indicating that its technical team has encountered challenges in completing the interconnections activities. The works are now estimated to be completed by **Saturday May 20, 2023**. In the interim, water will continue to be trucked to the impacted areas.

Areas affected: **White Horses, Botany Bay, Pamphret, sections of Roselle, Mount George and Creighton Hall**

The NWC regrets any inconvenience this disruption may cause and craves the patience and understanding of its valued customers.
