**WELL REHABILITATION WORK TO IMPACT FRIENDSHIP WATER FACILITY
IN ST. CATHERINE**

ALTERNATE SUPPLY WILL BE IMPLEMENTED

The National Water Commission (NWC) is advising that operations at the **Friendship Water Facility in St. Catherine** will be suspended from **Monday, November 20, 2023** to **Sunday, December 3, 2023**, to facilitate well rehabilitation activities at the facility.

This work is necessary to safeguard the viability of the well and to improve overall efficiency of water supply operations.

The Company is also advising that during the period of work, it will be utilizing an alternate water facility to supply the impacted areas. Customers are likely to experience low water pressures. Trucked water will also be provided upon request.

Areas to be affected include: **Sections of St. Johns Road, Seville Meadows Phase 3, Ebony Vale Housing Scheme and Fairview**

The NWC regrets any inconvenience that may be caused and craves the patience and understanding of its valued customers.
