DEFECTIVE PUMP IMPACTING SPRING VILLAGE WATER FACILITY IN ST. CATHERINE

The National Water Commission is advising that the **Spring Village Water Facility** in **St. Catherine** is out of operation as a result of a defective pump, resulting in disruption of water supply to customers served by this system.

The company's maintenance team is working to have the issue resolved and water supply restored by **Tuesday November 21, 2023**.

Areas impacted: Bushy Park, Spring Village, Island Farm, Nightengale Groove, Five Acres, Round Wood, High House, Lloyd's Pen, Rock Stone, Gutters

The NWC regrets any inconvenience this disruption may cause and craves the patience and understanding of its valued customers.
