**ELECTRICAL ISSUE AFFECTING OPERATION AT
DORNOCH TREATMENT PLANT IN TRELAWNY**

Customers served by the **Dornoch Treatment Plant** in **Trelawny**, are being advised that the facility is currently out of operation due to an electrical issue.

Water supply will return to the affected areas as soon as the issue is resolved.

Areas affected include **Brampton, Calabar, Samuel Prospect, Windsor Housing Scheme** and **Hatfield**.

The NWC regrets any inconvenience caused and craves the patience and understanding of its customers.
