**ELECTRICAL ISSUE IMPACTING OPERATIONS AT
READING HEIGHTS #1 FACILITY IN ST. JAMES**

The National Water Commission (NWC) is advising customers served by its Reading Heights #1 facility in St James, that the current disruption in their regular water supply is due an electrical issue at the facility.

Affected areas include Anchovy, Reading Heights, Rock Pleasant, Comfort Hall, Childermas and Lethe.

Maintenance team working to complete repair works by 6 p.m. today.

The NWC regrets any inconvenience caused.
