ELECTRICAL ISSUE IMPACTS OPERATIONS AT READING PUMP STATION IN ST. JAMES

The National Water Commission (NWC) is advising that operation at the Reading Pump Station in St. James is currently being impacted by an electrical issue. As a result, customers served by the facility are experiencing a disruption in their regular water supply.

Affected areas include: Bouge Hill, Bogue Heights, Reading and Tara Estate.

The team is working to resolve the issue in the shortest time possible.

The NWC regrets any inconvenience caused and craves the patience and understanding of its valued customers.
