Update

**NWC WORKING TO RESTORE NORMALCY
AT MARTHA BRAE TREATMENT PLANT**

The National Water Commission (NWC) is advising that, the **Martha Brae Treatment plant** in **Trelawny**, continues to operate at 60% capacity due to mechanical challenges. The maintenance department is working assiduously to restore normal operation at the facility by **Friday, October 22, 2021**.

As a result, customers in **Trelawny, St James** and **St Ann**, will continue to experience low water pressure or periods without water.

The areas likely to be affected include:

- *Greenwood, Rose Hall, Coral Gardens, Ironshore, Rhyne Park, Spot Valley, Cornwall, Mt. Zion, Palmyra, Saigon, Barrett Town, Providence Heights, Norwood and Paradise* in **St. James**.
- *Falmouth, Falmouth Pier, Royalton Hotel, Rock, Cooper's Pen, Granville, Green Park, Schawfield, Silver Sands, Duncan's Bay, Carey Park, Stewart Castle, Salt Marsh, Davis Pen, Stonebrook Vista, Florence Hall Village, Coral Spring Village, Wiltshire, Hague, Hague Housing scheme, Daniel Town, Bounty Hall, Hammersmith and Retreat Heights* in **Trelawny** and
- *Discovery Bay, Bridgewater Heights, Primrose Hill, Lakeside Park, Hopewell Park and Old Folly* in **St. Ann**.

The NWC regrets any inconvenience caused and craves the patience and understanding of its valued customers.
