**SINGLE PHASE POWER ISSUE IMPACTING OPERATIONS AT
LOGWOOD TREATMENT PLANT IN HANOVER**

The National Water Commission (NWC) is advising customers served by the **Logwood Treatment Plant in Hanover**, that the disruption in their regular water supply is due to a single phase power supply issue at the facility.

Areas affected include: Logwood, March Town, Cave Valley, Santoy, Orange Bay, Negril, Sheffield, Green Island, Salt Spring, Lucea, Esher, Elgin Town, Malcolm Heights, Haughton Court, Cauldwell, Pell River, First Hill, New Hope, Retreat, Mt. Airy, Orange Hill.

The power supply provider, JPSCo., has been contacted and full operations should resume as soon as the power supply matter is rectified.

The NWC regrets any inconvenience caused and craves the patience and understanding of its valued customers.
