**RESTORATION DATE EXTENDED DUE TO EXTENSIVE REPAIRS AT
DORNOCH TREATMENT PLANT IN TRELAWNY**

The National Water Commission is advising customers served by the **Dornoch Treatment Plant in Trelawny**, that the restoration date for the facility has been extended to **Friday December 17, 2021**. This is due to the extensiveness of the repairs being undertaken at the plant.

Affected areas include: **Rio Bueno, Braco, Calabar, Brampton, Jackson Town, Samuel Prospect, Vale Royal, Hatfield, Farm Town, Arcadia, Grove.**

The entity will continue to provide trucked water to affected areas.

NWC regrets any inconvenience caused.
