JPS SINGLE PHASE DISRUPTS OPERATION **AT SALT SPRING FACILITY, ST JAMES**

The National Water Commission (NWC) is advising that, the **Salt Spring** facility in **St James** is currently being affected by JPS single phase problem. As a result, customers served by this facility are without water supply.

The matter has been reported to the power service provider and water supply will be restored as soon as the matter is resolved.

Affected areas include **Salt Spring, Montego Hills, McGhie Top and Flower Hill.**

The NWC regrets any inconvenience caused and craves the patience and understanding of its valued customers.
