**BROKEN MAIN IMPACTS OPERATIONS AT DALINTOBER WELL
FACILITY IN ST. ELIZABETH**

The National Water Commission is apologizing to customers served by the Dalintober Well facility in St. Elizabeth for the current disruption in their regular water supply. Operations at the facility have been temporarily shut down to facilitate emergency repair work on a broken main in the Sandy Ground area.

Affected areas include Black River, Darlintober, Crawford, Hill Top, Gallion Beach, Cambridge, Lewis Town, Sandy Ground, Speculation, Brompton, Oxford, Fyffes Pen, Cotterwood, Sellington, Fustic Grove, New Town Crane Road, Parotte Beach, Hodges Main Road, Black River Hospital, Spring Park

Estimated restoration time is 5 p.m. today.

NWC regrets any inconvenience caused and craves the patience and understanding of its valued customers.
