MAJOR LEAK IMPACTING OPERATIONS AT FAIRFIELD BOOSTER STATION IN ST. JAMES

The National Water Commission (NWC) wishes to advise that operations at the Fairfield Booster Station in St. James have been temporarily shut down to facilitate emergency repair to a major leak on the network. As a result, customers served by the facility are experiencing a disruption in their regular water supply.

Affected areas include Fairfield, Tucker Irwin, Irwin South, Estuary, Irwin Point.

Estimated restoration time is 7 p.m. today.

NWC regrets any inconvenience caused and craves the patience and understanding of its valued customers.
