NWC WORKING TO RESTORE OPERATION AT SHETTLEWOOD PUMP STATION IN HANOVER

The National Water Commission is advising customers served by the **Shettlewood Pump Station** in **Hanover**, that it is currently working to resolve a chlorination issue at the facility.

Affected areas include:

Chester Castle, Ramble, Knockalva, Copse, Pearces Village, Shettlewood, Friendship, Lethe, Burnt Ground, Mount Peto, Bessie Baker, Forrest and Haughton Grove.

Estimated restoration time is 6 p.m. today.

NWC regrets any inconvenience caused.
