UPDATE

NWC WORKING TO RESTORE WATER SUPPLY TO SECTIONS OF PITFOUR, ST JAMES

The National Water Commission (NWC) is advising that it is working to restore piped water to the elevated sections of Pitfour in St James. In the meantime, the NWC will truck water to its customers. Customers may call the office at 876-952-7125/876-952-7126 to request trucked water.

The NWC will provide updates on its progress. For further queries, customers may also call NWC toll free at 888-225-5692.
