## **HIGH TURBIDITY AFFECTS OPERATION AT NIAGARA TREATMENT PLANT AND TANGLE RIVER PUMPING STATION, ST. JAMES**

The National Water Commission wishes to apologize to customers served by the **Niagara Treatment Plant** and the **Tangle River Pumping Station** in **St. James** for disruption in their water supply due to high levels of turbidity at the facilities.

Affected areas include

In St. James

**Johnson, Niagara, Carlton Summer Hill, Point, Tangle River, Maldon, Maroon Town**

In St. Elizabeth

**Jointwood, Elderslie and Accompong**

The NWC assures customers that normal operation will resume as soon as turbidity subsides.

The NWC regrets any inconvenience caused and craves the patience and understanding of its valued customers.
