BROKEN MAIN DISRUPTS WATER SUPPLY IN SECTIONS OF ST ELIZABETH

The National Water Commission (NWC) is advising that, it is currently carrying out emergency leak repair work to a broken main on High Street in St. Elizabeth.

Areas affected include Black River Town Centre, Crane Road, sections of Parotte, sections of Central Road and sections of Newton.

Every effort is being made to complete this necessary work and restore water by 5:00pm today.

The NWC regrets any inconvenience this may cause and craves the patience and understanding of its valued customers.
