**SINGLE PHASE POWER ISSUE AFFECTING OPERATIONS AT
HATFIELD RELIFT STATION IN ST. JAMES**

The National Water Commission (NWC) is advising that due to a single phase power supply issue at the Hatfield Relift Station in St. James, customers in Hatfield Meadows are currently experiencing a disruption in their water supply.

Full operation will resume as soon as the matter is resolved by the power service provider.

The NWC regrets any inconvenience this may cause and craves the patience and understanding of its valued customers.
