## **UPDATE**

### **WESTGATE HILLS BOOSTER STATION AFFECTED BY ELECTRICAL CHALLENGES**

The National Water Commission (NWC) wishes to apologise customers in **Westgate Hills St James**, who are served by the Booster Station for the continued disruption in their water supply due to electrical challenges.

The maintenance team is working assiduously to restore normal operation at the facility by Wednesday September 7, 2022.

The NWC regrets any inconvenience caused and craves the patience and understating of its valued customers.
