JPS SINGLE PHASE ISSUE DISRUPT OPERATIONS
AT APPLETON HALL FACILITY, ST JAMES

The National Water Commission (NWC) is advising that, operations at its **Appleton Hall** facility in **St James**, are being affected by JPS single phase issue. As a result, customers served by this facility and especially those in elevated areas are likely to experience a disruption in their water supply.

Areas likely to be affected include **Brandon Hill, Rose Mount, Farm Heights, Salt Spring, Cornwall Courts, Rectory Drive, Mount Salem, Albion, Montego Hills, Catherine Mount** and **Rose Heights**.

The matter has been reported to the power service provider and operations will resume as soon as the matter is resolved.

The NWC regrets any inconvenience caused and craves the patience and understanding of its valued customers.
