JPS SINGLE ISSUE AFFECTING OPERATION AT FISH RIVER FACILITY, HANOVER

The National Water Commission (NWC) is advising that JPS single issue is currently affecting operation at the **Fish River** facility in **Hanover**. As a result, customers in the elevated areas served by the **Logwood Treatment Plant** will experience a disruption in their water supply.

The matter has been reported to the power service provider and normal operation will resume as soon as the matter is resolved.

Areas likely to be affected include **Cousins Cove, Cave, Green Island, Kings vale Pell River, Negril West End** and **Westland Mountain**.

The NWC regrets any inconvenience caused and craves the patience and understanding of its valued customers.
