## JPS POWER OUTAGE IMPACTING OPERATION AT THE NIAGARA FACILITY IN ST. JAMES

Some customers in **St. James**, who are served by the National Water Commission's **Niagara Treatment Plant** are experiencing a disruption in their water supply, due to a JPS power outage.

The matter has been reported to the power service provider and the water supply will be restored to the affected customers as soon as power is restored to the facility.

Affected areas include:

- **Niagara and Johnson** in St. James
- **Jointwood, Elderslie and Accompong** in St. Elizabeth

NWC regrets the inconvenience caused and thanks its valued customers for their patience and understanding.
