**NWC TO CARRY OUT PUMP TESTING AT
PERTH BOOSTER STATION, MANCHESTER**

The National Water Commission is advising that, its Project Team will be carrying out pump testing activities at the **Perth Booster Station**, in **Manchester** from **6: 00 pm Wednesday November 17, 2021** to **1:00 am Thursday November 18, 2021**.

As a result, customers of Greenvale, Manchester will experience either low or no water during this period.

The NWC apologises for any inconvenience this may cause and urges customers to store water for use.
