**EMERGENCY MAINTENANCE WORK TO DISRUPT  
OPERATION AT BANDON RELIFT, ST JAMES**

The National Water Commission (NWC) is advising that that it will be carrying out emergency maintenance work at the **Bandon** relift in **St James**, from **Tuesday March 22, 2022** to **Thursday March 24, 2022**. As a result, customers served by this facility may experience a disruption in their water supply.

Areas to be affected include **Bandon, Mount Horeb, Fern, Rushea** and **Plum**.

The NWC regrets any inconvenience this may cause and urges customers to store water for use during the outlined period.
