LEAK REPAIR WORK TO DISRUPT OPERATION AT PITFOUR FACILITY, ST JAMES

The National Water Commission (NWC) is advising that operation at the **Pitfour** facility in St James, will be suspended on **Tuesday April 12, 2022**, between the hours of **9:00 am** and **5:00 pm**, to carry out leak repair work.

Areas to be affected include **Pitfour** and **sections of Granville**.

The NWC regrets any inconvenience this may cause and urges customers to store water for use during the outlined period.
