**April 14, 2022**

**SCHEDULED MAINTENANCE WORK TO DISRUPT  
OPERATION AT CAVE FACILITY IN WESTMORELAND**

The National Water Commission (NWC) is advising that operation at the **Cave facility in Westmoreland**, will be temporarily suspended from **Tuesday April 19, 2022** through to **Friday April 22, 2022**.

The disruption in supply is to facilitate servicing of the pump at the facility.

Areas to be affected include: **Cave Mountain, Ferris, Cave, Beggars View, Red Gate, Mt Pleasant and Second Kentucky**.

The NWC apologizes for any inconvenience this may cause and urges customers to store water for use during the outlined period.
