**EMERGENCY PIPELINE INTERCONNECTION WORKS TO IMPACT
SECTIONS OF MONTEGO BAY, ST. JAMES**

The National Water Commission (NWC) will be conducting emergency pipeline removal and interconnection works in the vicinity of the Donald Sangster International Airport on Sunday June 19, 2022 between the hours of 11:00 a.m. and 12 midnight.

Areas to be affected include sections of Flankers and Whitehouse.

The NWC regrets any inconvenience this emergency work may cause and urges its valued customers to store water for use during the outlined period.
