MAINTENANCE WORK TO DISRUPT WATER SUPPLY IN SECTIONS OF HANOVER AND MANCHESTER

The National Water Commission (NWC) is advising that, it will be carrying out maintenance work at the **Pell River Booster station in Hanover** and the **Greenvale Booster station in Manchester** from **Monday June 27 through to Wednesday June 29, 2022**. As a result, customers served by these facilities will experience a disruption in their water supply.

Areas to be affected in **Hanover** include **Pell River, Cauldwell, Prospect, Friendship, Woodchurch, Ginger Hill, Haughton Court, Riverside** and **Kingsvale**.

Areas to be affected in **Manchester** include **Dunstine, Red Bank, Oakland, Buttup, Big Head Street** and surrounding areas.

Customers are being assured that every effort will be made to complete the works and restore water within the time specified. The NWC is also urging customers to store water for use during the outlined period.

The NWC regrets any inconvenience these disruptions may cause and craves the patience and understanding of its valued customers.
