JPSCO POWER OUTAGE TO DISRUPT WATER SUPPLY
...sections of St James and Westmoreland to be affected

The National Water Commission (NWC) is advising that, due to scheduled JPSCO maintenance work between the hours of **9:00 am** and **4:00 pm** on **Thursday March 2, 2023**, some customers in St James and **Westmoreland** will be without piped water.

The NWC urges customers to store water for use during the period they will be without and assures them that water will be restored following the return of the power supply.

Areas to be affected in **St James** include **Salt Spring, Montego Hills** and **McGhie Top**.

Areas to be affected in **Westmoreland** include **Cave Mountain, Ferris, Beggars View, Red Gate, Mt Pleasant** and **Second Kentucky**.

The NWC craves the patience and understanding of its valued customers.
