DROUGHT STILL AFFECTING WATER SUPPLY TO SECTIONS OF HANOVER AND WESTMORELAND

The drought is still affecting water supply to sections of Hanover and Westmoreland. As a result of this, the National Water Commission (NWC) has extended the regulation hours for some areas served by the **Logwood Treatment Plant** in **Hanover**. Starting **June 3, 2023**, **Whitehall 1 and 2** and **Red Ground** will have water between **10:00PM to 8:00AM daily**. **Norman Manley Boulevard** and **West End** will experience disruptions in their water supply during this period. The NWC will continue to truck water to customers in **Whitehall 3**.

The NWC regrets any inconvenience caused and craves the patience and understanding of its valued customers. For any queries, contact Customer Care at 888-CALL-NWC (888-225-2692).
