**SCHEDULED WORKS AT THE OLD MARTHA BRAE TREATMENT  
PLANT TO RESULT IN WATER SUPPLY DISRUPTIONS**

The National Water Commission (NWC) is working to improve its efficiency, and, as such, will be installing a production meter at the **Old Martha Brae Treatment Plant** in **Trelawny**. This is scheduled to take place on **Thursday, June 22, 2023**, between **9:00 a.m. and 3:00 p.m.** As a result, the system will be shut down and customers served by this facility will not have water.

Areas to be affected include **Falmouth, Rock, Cooper's Pen, Martha Brae, and Daniel Town.**

The NWC apologizes for the inconvenience that may be caused and encourages customers to store water for use ahead of this time. For any additional queries, contact *Customer Care* at **888-225-5692** or keep updated through the social media platforms.
